To read the Adaptive Alchemy Library which explains much, much more about all of these ideas and their evolution visit...

www.unicornworld.org/library/

"I agree that nonsense makes perfect sense and that I am the Dungherder. I can put my foot right in the pile and get my slice-o-the pie."

Explore mind-expanding ideas like...

Post-scarcity Civilization & Economics

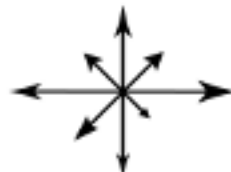

Idealism vs. Physicalism

Transmergence

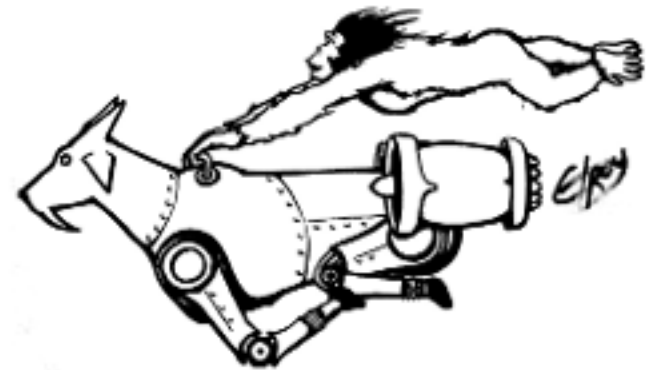

Ancertainty

External-Experience Delusion

Adaptive Alchemy is the science and art of hacking reality.

If existence was a game and you could program it to make it more enjoyable to play...would you? What if I told you that that is actually how reality works?

Would you become your own programmer or remain a non-player-character in other peoples games?
